Sub : Survey works for Water Supply Scheme for various villages of Mandoni Patelad- Letter of Award.

Sir,

With reference to your quotation No. TPSQ/1017/99 Dt. 1.11.99 and subsequent correspondence No. TPSQ/1018/99 Dt. 17.11.99, we are pleased to award you the survey work for water supply scheme for various villages of Mandoni Patelad in the Union Territory of Dadra and Nagar haveli. The following works are to be carried out within a period of 30 days at a total cost of about Rs. 4.03 lacs @ Rs. 157.50 per Ha in case of contour survey, Rs. 4500/- per km in case of Route survey and Rs. 200/- per pillar (25x25x60) in case of Establishment of Bench mark. The amount of Rs. 4.03 lacs is as per your quoted rates and present estimation of quantum of works which may be increased or decreased as per actual works carried out as per direction of Engineer-in-charge.

Part I : Route Alignment Survey

- (i) Conducting Detail route survey for piped water line from Madhuban Dam to Mandoni Village with the help of Total station.
- (ii) Carrying out alignment survey to mark and fix the suitable and economical pipe line route with the details falling within 20 metres corridor i.e. 10 meters either side from centre line.
- (iii) Taking L-section at every 100 metre and X-sections at the same point at 500 metre interval.
